COUNTRY CLEARANCE

SUBJECT: KUWAIT COUNTRY CLEARANCE FOR USDOC UNDER SECRETARY
FRANK LAVIN MARCH 13-15, 2007

REF: USDOC 1088

KUWAIT 00000351 001.2 OF 003

11. Embassy Kuwait welcomes and hereby grants country clearance for Under Secretary of Commerce for International Trade, Ambassador Frank Lavin, and delegation, to travel to post o/a March 13-15, 2007 for meetings with Kuwaiti officials and investors to promote investment in the United States.

12. This clearance is not/not valid for entry into Iraq; you must apply for Iraq clearance through Embassy Baghdad.

13. Embassy Point of Contact: Erik Hunt, Commercial Counselor. Phone: (965) 259-1354. Fax: (965) 259-1271. Email: erik.hunt@mail.doc.gov

14. Lodging: One single room has been reserved at the Sheraton hotel for the nights of 13-14, 2007. The hotel phone number is (965) 835-555 and the fax number is (965) 12448032. The single room rate at the hotel is approximately USD 228 plus 15% service charge per night, which includes breakfast. The hotel accepts major credit cards and is within the per diem rate. The daily per diem rate for Kuwait is USD 271.00 for lodging, plus a meal and incidental expense (M&IE) allowance of USD 105.00 for a total of USD 376.00.

15. Following is post's standard guidance for visitors to Kuwait:

a. Entry Requirements: Kuwait now issues single-entry visas to American citizens on arrival, upon presentation of a valid passport. There is a processing fee of three (3) Kuwaiti Dinar (KD 3.000, approximately USD 10.50) for each visa issued. The fee may be paid either in KD or USD. Post strongly advises travelers to carry some documentation on the purpose of their visit. Passengers arriving on other than commercial flights should anticipate extra delays, because immigration services are not available on the military side of the airfield and passports have to be carried to a different location at the airport for processing. Airport visas are valid for 90 days after arrival; anyone staying beyond this period must obtain an extension, which should be requested 2 weeks prior to visa expiration. Anyone departing Kuwait who has overstayed the visa will be charged a fine of KD 10.00 (USD 35.00) per day at the airport. All travelers planning to visit Iraq should make sure that they obtain the required exit/entry stamps for each transit through Kuwait, and be aware that they will need to obtain a new Kuwaiti visa upon return, even after a day trip to Baghdad. Failure to do so can result in heavy fines. If possible, travelers should try to obtain a multiple-entry visa before arriving in Kuwait.

b. Visitors are reminded that the importation of alcohol, pork products, personal firearms, and any suggestive/pornographic materials (videotapes, magazines or books) is strictly prohibited by Kuwaiti law. Kuwait is still clearing mines and munitions. Visitors must remain on major paved roads when traveling in Kuwait. Travel north of Jahra toward the Iraqi-Kuwaiti border is not authorized without approval from the embassy and an appropriate escort.

c. Embassy Kuwait's normal workweek is Saturday through Wednesday. Office hours are 8:00 a.m. to 4:30 p.m. The time difference with the East Coast of the United States is EST plus 8 hours. The Embassy switchboard number is (965) 259-1001, and the IVG number is 4950000. The after hours number which rings at Marine Guard post one is (965) 538-2098. The mission duty officer can be reached through the embassy switchboard, Post One, or by cell phone at (965) 967-7265. The embassy pouch address is 6200 Kuwait Place, Dulles, VA 20189-6200.

d. Threat Assessment: Kuwait is a high-threat post and the military threatcon is currently Charlie. We have increased security precautions at official U.S. installations in Kuwait and recommend that all Americans in Kuwait remain alert to their surroundings and review their personal security practices.

e. Health Advisory for Kuwait: April through October is the hot season in Kuwait. Temperatures reach 120-140F in summer. Caution should be taken to prevent dehydration and heat exhaustion by 1) drinking plenty of fluids and 2) staying indoors, especially during peak temperature hours of 12:00-15:00. Low humidity coupled with high temperatures creates excessive moisture loss from evaporation. It is necessary to drink 2-4 quarts of water daily to prevent dehydration. Visitors in November through March can expect cold winds and at times heavy rains. Light winter clothing is

KUWAIT 00000351 002.2 OF 003

suitable for Kuwait during these months. At this time allergies and colds are more common. Persons traveling to the area are advised to have over-the-counter medications, such as Tylenol, Ibuprofen, cold and cough medications with them for self-treatment.

f. Money: Credit cards are widely accepted in hotels, restaurants and other establishments throughout Kuwait and ATM machines are also readily available. For travelers on official orders, the Commercial Bank of Kuwait can provide accommodation services (cashing a personal check drawn on a U.S. bank into local currency) up to a maximum of USD 300.00 per day from noon to 2:00pm, Saturday through Wednesday. At the current rate of exchange, one Kuwaiti Dinar (KD) is equivalent to approximately USD 3.50.

g. CAA Access: Visitors who need unescorted access into secure areas of the mission must slug cables to the attention of the RSO, and include the level of their clearance. The cable should include the visitor's Social Security Number, and the name of the agency granting the clearance. Cables should include the ASEC tag to ensure distribution to the RSO office and the Marine Security guard at post one.

h. Computer and Electronics usage: Sensitive military information has been discovered recently on business center computers at local hotels in Kuwait City. All U.S. Government personnel and contractors must remember that it is their responsibility to observe good computer and information security practices. Information processed on computers in hotel business centers, through email correspondence or document creation, is highly exploitable. Public computers located in hotel business centers, internet cafes, airport lounges, etc. should never be used to process, store or disseminate sensitive information. Compromise of sensitive government or military information can result in serious damage to national security. Compromises of sensitive

personal data can result in significant personal and financial hardship. Random checks are conducted by Embassy personnel on public PC's. Breaches in COMPUSEC will result in the violator receiving security infractions and/or security violations. Inter-agency security standards prohibit the introduction or use of non-USG owned computer hardware and software at all USG diplomatic facilities. Cell phones, palm pilots, radios and other convenience electronics are prohibited in all secure areas of the mission.

i. Photography: Tourist photography is encouraged in Kuwait. However, it is strictly forbidden to photograph public buildings, economic infrastructure, or military and other security-related facilities and personnel. Confiscation of film and camera and even arrest may result from doing so. A good rule of thumb: If there is any doubt as to whether a photograph should be taken, don't take it.

j. Action Request: Each visitor, regardless of length of stay, must bring or forward fiscal data to pay for direct costs of the visit. Each agency, organization, or visiting delegation will be charged for the actual costs attributed to their visit. Direct charge costs include, but are not limited to: American and LES staff overtime (e.g., expeditor, accommodation exchange, representational event support), field travel, lodging and meals and incidental expenses (M&IE) by embassy employees, vehicle rentals, long-distance telephone calls, equipment rentals, office supplies and all other costs that are directly attributable to the visit. If fiscal data on visitor's travel authorization is to be used for this purpose, this information must be spelled out in the travel orders and sufficient funding must be provided to meet these expenses. In addition, for TDYers over thirty (30) days, there will be a charge for ICASS support services. If your sponsoring agency is not signed up for ICASS services at post, please be prepared to sign an ICASS Memorandum of Understanding (MOU) for ICASS support services upon arrival. The agency should provide post with written communication, generated by the traveler's headquarters, that confirms the agency will pay ICASS charges for the TDYer, provide the agency ICASS billing code for the TDY support to be provided, and authorize the traveler to sign the ICASS invoice generated by the TDY module. When travel is urgent, TDYers should bring this document with them to ensure there are no interruptions in the provision of services. Post will not provide any services to a TDYer staying in excess of 30 days without having received this documentation prior to day 31 of the TDY.
